
Foresters Meeting

Tuesday, 11.02.2021

Agenda

1. The club's second competition of the 2021-22 season was held. The results of the judging are in the documents attached. Congrats to the winners and thank you to all who participated.
 - On the results sheets, the codes shown below each image in blue are:
 - A number which is the total points awarded by the 3 judges
 - POM = The single winning Print Of The Month in that class
 - AW = Award for runners-up up in that class
 - HM = Honorable Mentions
 2. Results from the survey to determine the interest in print competitions are still coming in. So far Jim has received just 9 responses that indicate interest. Of those 6 that say YES they participate and 3 say MAYBE.
 - More discussion to be held next meeting.
 - Options for getting printing done were discussed. Some of those are listed below.
 - Costco - Online ordering only. About 2 weeks to receive your prints.
 - Quality Plus Photo Services Inc, Palos Heights - Usually turnaround is 1 day or less.
 - Art & Company, Orland Park - Not certain if they offer this sort of print service. Steve Zasadny to get more info.
 - MPIX.com - Online service.
 3. Bob Benson from the Schaumburg club will be conducting a ZOOM program on "You Be The Judge" at our next club meeting on 11/16.
 - Jim again emphasized that we desperately need to get volunteers to judge at other clubs if we hope to get judges for our own competitions.
 - Judging will be done via ZOOM. The only exception will be the print judging. Details for CACCA print judging to be confirmed.
