Interclub - The club selects these from the ones submitted for judging in the Open Color and Open Mono competitions. At the discretion of the club's DPI coordinator and Exec Committee, excellent entries from Specials competition might be among the ones submitted.
 --> Only 4 entries each are submitted by each club in each of Open Color and Open Mono. Only 1 image per maker in each class.

Individual - You can submit up to 4 entries per competition yourself via the online Competition Assistant tool. For the Special Themes competition, you get to act as one of the judges and vote online for each of the entries. The other 4 categories; Nature, Photo Journalism (PJ), Portrait and Creative; are judged by CACCA judges. Special guidelines for entries are available on the CACCA website.

* **Self-judging** - You get the opportunity to judge all of the competing images. Winners are then picked based on popular vote.

** **Special Themes** - Note that these Special themes may vary from those chosen for the Foresters' monthly competitions. Images entered into this division may not have been entered in any previous CACCA competition including Interclub, Individual and CACCA Salons.

Individual and Interclub Digital submissions and to print cards for your Print entries can be reached from the 'All Photos Submissions' link on the CACCA website or by copying the "Competition Assistant" link and pasting it into your URL. <https://www.caccaphoto.org/411ClientLogin.html>
